Please answer the question above by selecting one answer. The answers are at the bottom of this PDF document. Thanks

Question #5:

Which statement is correct about Stellar's notable reference customers or partners ?

- 1 Overstock.com, DISH network, Microsoft, Intuit and PayPal are just a handful of name-brand organizations that support and utilize Stellar's technology.
- 2 Aliant Payments Systems, RE/MAX global real estate network, PureVPN, and Overstock are some of the key businesses partnered with Stellar.
- 3 American Express, Banco Santander, MoneyGram International, Deloitte, and SBI Holdings are among some of the notable partners using Stellar.
- 4 Stellar's website lists hundreds of online stores that accept Stellar coins to purchase goods and services. In addition, Stellar has secured a partnership with Spanish startup, Bitnovo as the first cryptocurrency to become available to 10,000 retailers across Spain (thanks to Bitnovo's network).
- 5 Unlike some of the successful US-based cryptocurrencies, Stellar doesn't have a long list of brand-name companies as partners or customers. However, they do have partnerships with some big names in crypto and blockchain including Bancor, Coindash, Agrello, Elastos, and HPB.
- 6 Emurgo, SIRIN LABS, and Stellar is officially accepted as a form of payment at Hotel Ginebra in Spain.
